Welcome to the 2025-2026 Faith Formation Year! We are excited to kick off the year together with some exciting new changes and build on our already strong faith formation program. We can't wait to share the Joy of our faith and grow in our understanding together!

BIG GOALS-BIG GOALS-BIG GOALS-BIG GOALS-BIG GOALS-BIG GOALS

- One of our primary goals for this year is to increase our time spent in prayer together. Each Faith Formation night will start in the Family Center with a 15 minute prayer service. Parents are asked to attend the prayer services and have your children sit with you until dismissal to their classrooms. Throughout the year, the classes will plan the prayer services and lead them. This will require our families to arrive at 6:15 PM to participate fully. We will explore different prayer styles and learn to actively pray together and with your family.
- Another big goal we have is to increase our participation in Mass. We plan on doing this by more education on the Mass itself, providing age appropriate options for the Mass for children and teens and encouraging our children and youth to participate in the Liturgical roles like altar serving, greeting, and more to come!
- Our final goal is to increase opportunities for parents to build upon their faith life. Multiple programs will be available for parents to participate in. We will also be providing different material to engage you and encourage a more fruitful faith life.

MIDDLE SCHOOL FAITH FORMATION

Middle School Faith Formation will shift to a youth ministry model instead of a classroom model. This will still take place at the normal Wednesday night time, but focus on small groups and a more activity based program to better engage our middle schoolers. 6-8th grade will all be together and will meet in the Den.

CHILDREN'S LITURGY OF THE WORD

Children's Liturgy of the Word will be for our littlest children. Any children in Pre-K through the 2nd grade are invited to participate. If you have received first communion, you are invited to stay in Mass. There will be age appropriate resources available weekly including Mass bags for the younger children and activity books for our youth to follow along in the Mass.

CONFIRMATION

8th graders will attend MS Faith Formation. Once a month the 8th graders will separate for Confirmation focused material. The 8th Graders getting Confirmed will participate in these sessions to prepare for the sacrament. We want our youth to be well rounded in their faith while still having a focus on Confirmation through these special sessions.
